

AGN. NO.

MOTION BY SUPERVISOR MICHAEL D. ANTONOVICH

April 6, 2010

AMENDMENT TO #4 – USE OF ARRA FUNDS FOR SUMMER YOUTH EMPLOYMENT

On my motions of March 13, 2007, June 24, 2008 and June 2, 2009, the Board of Supervisors directed that preference for Summer Youth Employment Programs, administered either through the County Departments of Human Resources or Community and Senior Services, be given to the County's aging-out and aged-out foster children. We must continue to make no exception and prioritize the employment of foster youth in **all** youth job programs to ensure they are afforded every opportunity to become productive adult members of society.

I, THEREFORE, MOVE that the Board of Supervisors direct the Chief Executive Officer to prioritize employment opportunities for aging-out and aged-out foster youth in the American Recovery and Re-Investment Act (ARRA) Summer Youth Employment Program, administered by the Department of Public Social Services.
